This matter comes before the Commission by way of an Application filed by Singleton Moving and Storage, Inc. (hereinafter "the Applicant") seeking certain relief in the nature of an amendment to Class E Certificate of Public Convenience and Necessity No. 2398, which currently authorizes motor freight service over irregular routes as follows:

HOUSEHOLD GOODS: Between points and places in Charleston, Dorchester and Berkeley Counties.

The Applicant seeks to amend the Certificate so that, if amended, it would authorize motor freight service over irregular routes as follows:

HOUSEHOLD GOODS: Between points and places in South Carolina.

Subsequent to the initiation of this proceeding, the Commission Staff instructed the Applicant to cause to be published a prepared Notice of Filing in certain newspapers of general circulation in the State of South Carolina. The Notice of Filing indicated the nature of the Application and advised all interested parties desiring to participate in the proceeding of the manner and time in which to file the appropriate pleadings.

No Protests or Petitions to Intervene were filed with the Commission. The Notice of Filing was duly published in the State Register.

Upon consideration of the Application, the representations contained therein and the documentary evidence attached thereto, the Commission finds that the Applicant is fit, willing and able to perform the service to the public under the authority sought. The Commission also finds that the granting of the certificate is required by public convenience and necessity.

IT IS THEREFORE ORDERED:
